

# Broadcast Awards 2020 – the judges

7 February 2020

Methodology and list of judges

SHOW CAPTION

More than 100 industry figures came together to judge the Broadcast Awards 2020 at The Hospital Club in Covent Garden.

The judges were split into groups and presented with longlists in each category, which they whittled down to a shortlist of six.

After debating the merits of each contender, a secret ballot took place to determine the winner. The judges were looking for shows that demonstrated originality, insight and great story telling. They were not disappointed.
